Prepare to be impressed. This open concept Taylor Morrison home has it all. The thoughtfully laid out floorplan offers great space and separation with 4 bedrooms 3.5 bathrooms and 2 bonus rooms spread out on 3 distinct wings gives you next-gen capabilities as well as many entertaining options. The chefs kitchen is a true focal point, with luxurious granite, ceiling height white cabinetry, built in double ovens and an electric induction cooktop with gas available. Pullout drawers and a walk in pantry make storage a breeze. The primary bedroom is away in the back on a separate wing with a luxurious ensuite bathroom with his and hers vanities, soaking tub, and custom walkin shower with body jets. Two bedrooms, a full bathroom and a bonus room take up the second wing of the house. The third wing has a bedroom, full bath and another bonus room offering multiple possibilities. The 3 car tandem garage has lots of built in storage, epoxy floors and large capacity Kenitco water system, along with 2 EV charging stations. The north/south lot is over 12,000 sqft with no rear neighbor. It has a large covered patio with TV mount, storage sheds. And just when you think this property could not get any better, it has an OWNED solar power system. No lease payments, just free energy! All in a
